# Boothill Speedway Point System

Published March 9, 2021

## Track Championship, Point Awards Eligibility

- A.) Driver Must Compete in 80% of Events to be eligible to Receive Points Money. A driver finishing in the top 10 but failing to compete in 80% of the events will not receive point payout for their respective position nor recognized for their respective position.

## Point System

- A.) All entrants in Boothill Speedway events will receive championship points toward the Season Championship
- B.) Only drivers that participate in a minimum of eighty percent (80%) of scheduled of Boothill Speedway events are eligible for the above-mentioned points funds.
- C.) All entrants in Boothill Speedway events will receive a minimum of twenty-five (25) championship points. (Show Up Points)
- D.) All entrants of a last chance event that start the race, but do not transfer to the feature event, will be awarded twenty-five (25) additional championship points.
- E.) All entrants that start the feature event will be awarded championship points according to their finishing position in the feature event. The winner of the feature event will be awarded ninety-eight (98) championship points, second place Ninety-six (96) championship points with each position thereafter being worth two (2) points less than the previous position. If twenty-two (21) or more entrants start a feature event, the finisher in 21st or worse position will be awarded 58 (58) championship points. All finishers below 21st will also be awarded fifty-eight (58) championship points.
- F.) All in entrants in Boothill Speedway designated "Double Point" events will receive Double the point totals as outlined above for the event.
